Truro Historic House Plaques

The Truro Historical Commission, with the assistance of experienced consultants, has surveyed and documented more than 500 historical properties in Truro following the procedures of the Massachusetts Historical Commission (MHC). **MHC Historic House Survey Forms B** are on file at the Truro Public Library, are available on line at <http://mhc-macris.net> or using links on the Truro Historical Commission's webpage: <http://www.truro-ma.gov/historical-commission>

For a building listed as historic, an owner may purchase a plaque identifying the house as historic, with the date of construction. The plaque is made of aluminum with a blue painted background, and with a protective polyurethane coating.
